

VACHERON CONSTANTIN ÉGÉRIE MOON PHASE SPRING BLOSSOM

Inspired by the dialogue between Haute Horlogerie and Haute Couture, Vacheron Constantin introduced the Égérie collection in 2020 as part of its women's line. In 2026, it unveils the Égérie Moon Phase Spring Blossom, housed in a 37mm 18K 5N pink gold case. The pink mother-of-pearl dial pairs with a hand-painted calfskin strap featuring delicate blossoms. Limited to 100 pieces, it comes with a matching leather pouch, a strap case, and two additional interchangeable straps in pink alligator leather and blush grosgrain fabric. The watch is adorned with 94 diamonds, totalling approximately 1.10 carats.
