

BREAKAWAY BABU Jagjivan Ram

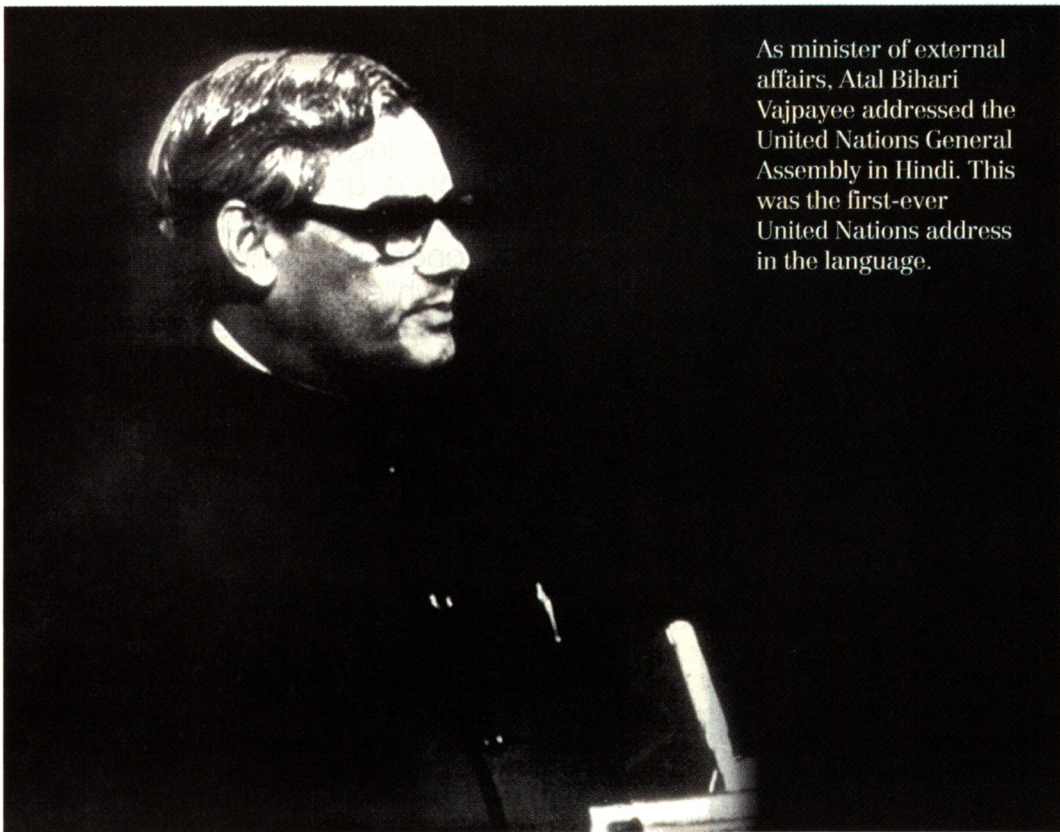

It is said that when Babu Jagjivan Ram was campaigning in the Ram Lila Grounds in Delhi for the 1977 elections, Doordarshan was showing the hit film *Bobby*, in spite of which his address drew huge crowds, eliciting the headline "Babu beats *Bobby*" from the newspapers. Ram and five other Cabinet ministers deserted the Congress to form the Congress for Democracy, launching an attack on the ruling party—though he had moved the resolution in the Lok Sabha endorsing the Emergency. He became deputy prime minister in the new Janata Party government.
