

FURNITURE FITTINGS

Engineered to perform.

The effort — Meticulous & Painstaking.
The reward — Customer Satisfaction.

Continuous innovation and development of high-quality products is what has enabled us, at Ebco, to realise our biggest goal — to offer the highest level of customer satisfaction. As India's leading manufacturer of hardware and furniture fittings, our range of over 4000 product innovations has been paramount in fulfilling the requirements of customers from across all industries. And naturally so.

With an eye for 'Quality' and 'Value for Money' — be it a cartridge link for military purposes or a fitting for HOMES or OFFICES, our commitment to precision engineering helps create products that are *Engineered to perform* beyond expectations.
