*Involves using HP's voice reply, sends e-mails as voice notes. A standard GSM/GPRS/EDGE infrastructure, Wi-Fi, other Bluetooth-enabled devices, separately purchased equipment, and a service contract with a wireless airtime provider may be required for applicable wireless communication. GSM/GPRS/EDGE wireless Internet access requires separately purchased Internet service contract. Check with service provider for availability and coverage in your area. Not all Web content available. GPRS/EDGE may not be available in all areas. GPRS/EDGE data transmission speeds may vary based upon network capabilities and other conditions. Establishment and continuation of a GPRS/EDGE connection depends on network availability, provider support and signal strength. Telephone service requires separately purchased contract with a telephone service provider with coverage in your service area. Additional fees may apply for some features; check with your service provider. ¹Battery life will vary depending on the product, model, configuration, load, apps, features and power management settings. The maximum capacity of the battery will decrease with time and usage. ²Requires separately purchased VOIP service contract. © Copyright 2007 Hewlett-Packard Development Company, L.P.
