de Bianco**
preserved prehistoric
animal tracks at a unique
South American site.

SCIENCE

Could you take the next small step for mankind?

Over the past 30 years, the Rolex Awards for Enterprise have helped scores of men and women make our world a better place. If, like them, you have a groundbreaking idea and the ability and determination to bring it to a successful conclusion, this is your chance to apply for a Rolex Award in 2008.

An international panel of distinguished specialists will judge entries on originality of thought, exceptional spirit of enterprise, and potential impact on society and human knowledge. The five most outstanding candidates will each receive US\$100,000 towards the completion of their projects and a personally inscribed gold Rolex chronometer. Up to five other applicants will each receive a substantial cash prize and a steel-and-gold Rolex chronometer. If you have a project in the fields of science, technology, medicine, exploration, environmental protection or cultural conservation, this could be your first step towards making it happen.

CALL FOR ENTRIES: THE 2008 ROLEX AWARDS. For further details or an application form, visit our website at rolexawards.com or write to: The Secretariat, The Rolex Awards for Enterprise, P.O.Box 1311, 1211 Geneva 26, Switzerland. **DEADLINE for India: September 30, 2007.**
