

The Falcon needs large spaces to spread its wings. No wonder our shopping malls are big enough to accommodate your needs.

Space is paramount to a Falcon. It thrives on wide open places, it finds bliss in the blue beyond. That is why we at Prestige make sure you'll find a lot of it in our Forum Malls. We believe that a shopping experience shouldn't be limited to the shops. And so we create food courts, cinemas and other entertainment experiences to complete yours. After all, we at Prestige have chosen the Falcon to represent us. We think we've learnt a thing or two from this magnificent bird. Like strength, precision, speed and the ability to see clearly what others don't. That is what it takes to turn a mere brick and mortar building into a thing of Prestige.
