

N.E. RAILWAY MARCHES TOWARDS GOLDEN FUTURE

DREAMS COME TRUE

INDIAN RAILWAYS HAVE SEEN AN UNPRECEDENTED IMPROVEMENT UNDER THE dynamic, matured and able Leadership of Shri Lalu Prasad Ji, Minister for Railways. As a result, 2006-07 has generated a surplus of Rs. 20,000 Crores, apart from all round development on Railways.

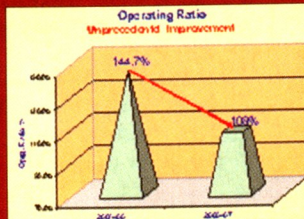

To learn lessons, students of best of the Management Institutes like Harvard Business School, USA & other Business Schools of world have come to India to take Deeksha in "GURU MANTRAS" of LALUJI". Thus, Shri Lalu Prasad Ji has brought Laurels & proud to the Country throughout globe. He had been often saying to mass and media that they have only seen 'Jadu' and 'Tona' is yet to come. To achieve

this 'Jadu' & 'Tona' he has set Noble goals and objectives for Indian Railways.

North Eastern Railway is one of the 16 Indian Railways, headquartered at Gorakhpur. North Eastern Railway (NER) was known as 'Non-Efficient' railway since inception, initially operating on MG and now being converted in to BG in phases. In the last 10 months' period, under the dynamic leadership of Shri Sukhbir Singh, the present General Manager, this Railway has seen unprecedented overall development hardly known to Indian Railways. He and his team have taken to heart the Noble goals & objectives, set by Hon'ble Minister for Railways. Perhaps, this is one of the

TURNING A 'NON-EFFICIENT' RAILWAY TO 'MOST-EFFICIENT' RAILWAY
