

SIX DECADES OF PROGRESS. ONE SPECIAL ISSUE.

Business Today presents a Special stand-alone issue to commemorate 60 years of business in independent India. A collector's issue, this 15th Anniversary special offers a retrospective on the industrialists, institutions and political & social personalities that have shaped the course of Indian industry. Plus special stories on performance of PSUs, Licence Raj Czars, new age tycoons, Indian stock market, industry sectors and more. In all, an issue that discerning business readers will want to cherish for all times to come.
