

Celebrating a hundred years...

of steel as enduring
as our values

26th August, 1907 was a momentous day in the history of our nation. It marked not just the formation of our company, The Tata Iron & Steel Company Limited, now Tata Steel, but the birth of the Indian Steel Industry. Since then, never losing sight of the values propounded by our Founder Jamsetji Nusserwanji Tata, we continue to create wealth and well-being for the communities and the nations where we operate. Making business a tool to improve the quality of life, we follow the highest standard of corporate governance, delighting customers, reinforcing the trust all stakeholders repose on us, filling every member of the Tata Steel Family with pride.

On our hundredth year, we continue to enhance India's stature on the global stage and look forward to enriching more lives across more communities for another hundred years and more.
