

LBSIM

Management School with a Difference
To experience the difference be a part of it

Developing professionals with 'Vision' and 'Versatility' in accordance with 'Ethics', 'Values' and 'Principles' of Shri Lal Bahadur Shastriji, is the philosophy of Lal Bahadur Shastri Institute of Management (LBSIM). Established in 1995, primarily to perpetuate the ideals of Shastriji, LBSIM is now recognized as a premier and a top-ranking institution in Management and Information Technology education.

Dr. R. L. Raina, Director

Activity mix of the totally integrated b-school includes:

- Two Year Full Time Post Graduate Diploma in Management (PGDM)
- Three Year Post Graduate Diploma in Management (Evening) for Working Executives
- Three Year Full-Time Post Graduate Programme in Master of Computer Applications (MCA), under affiliation with the GGSIPU, Delhi
- Faculty and Management Development Programmes
- Research and Consultancy Activities
- Developing International Academic Collaboration
- Organizing Conferences, Seminars and Workshops

Faculty - The Institute boasts of a highly committed faculty resource base with a proper blend of rich academic and industry background supplemented by sound international exposure. **Admission** to PGDM (FT) is CAT based and the cut-offs are soaring year after year. **Placements** at LBSIM have, since inception, been a phenomenal success with students getting placed in record time and having to choose dream offer from multiple choices.

Focus: Equipped with state-of-the-art academic as well as administrative infrastructure, the focus at LBSIM is on:

- Producing, grooming and nurturing professionals with a humane and pragmatic approach, the essence of which lies in the 'team-work'.

- Supplementing class-room learnings with real-life field experience through mandatory one day a week 'Corporate Interface Day'.
- Imparting time-tested skill sets in lab environment, e.g. helping participants to hone communication skills through audio-video recordings/displays, etc.
- Regular proportion of class inputs on 'theoretical' as well as 'conceptual' insights from eminent corporate stalwarts through mandatory 20 per cent of the session input per course coming from such external experts.
- Inculcating and nurturing the habit of 'life-long-learning' through mandatory hours every day for accessing, retrieving and using select learning resources.
- Prompting and encouraging students to come out with and implement creative/innovative ideas through their various formal / informal student bodies like "Grids", "Clubs", etc.
- Constant Curriculum review and its updation through a three-way interactive process: Student/Alumni-Faculty-Industry.

Management Education for Defence Personnel - In keeping with the 'Jai Jawan Jai Kisan' slogan of Shastriji, LBSIM provides management education to Defence Personnel—in all its three wings—at very nominal fee structure.

Lal Bahadur Shastri Research Centre for Public Policy and Social Change (LBSRC) has been established as a 'Center of Excellence' to facilitate 'research' on social, economic and political issues, following the ideals and practices of Shastriji. LBSRC is equipped with select learning resources in print and electronic media supported by state-of-the-art IT. Researchers at the Centre have already completed several research projects including one on National Rural Employment Guarantee Scheme: A case study of select districts of UP, and the other on 'Planning from Below for Rural Development: A case study of district Varanasi'.

Lal Bahadur Shastri National Award for Excellence in Public Administration, Academics and Management, instituted by LBSIM in 1998, is given each year on the eve of the birth anniversary of Shastriji, i.e. October 1, by the President of India in Rashtrapati Bhavan. The honour carries a cash award of Rs. 1 Lakh, a citation and a plaque. The recipients of this prestigious Award have been Prof. C.K. Prahlad, Mr. Sam Pitroda, Mr. N.R. Narayana Murthy, Dr. R. A. Mashelkar, Smt. Ela Ramesh Bhatt, Shri C.P. Srivastava and Dr. Naresh Trehan. The jury has selected Dr. M.S. Swaminathan, an eminent agricultural scientist for the 2006 Shastri National Award.

His Excellency Dr. A.P.J. Abdul Kalam, President of India presenting 2005 Shastri National Award to Dr. Naresh Trehan while Shri Anil Shastri, Chairman, Board of Governors looks on

"The Institute has grown in stature over a short span of time and has created a niche by establishing itself as a center of excellence for value based management education. It is among the leading business schools in India. I would like to compliment the present and the past leadership as well as the faculty for making this Institute what it is today".

Mr. Hari Shankar Singhania, President, J.K. Organisation, delivering the Convocation Address on March 30, 2007.
