183 Gram Rath became messengers of development

Under the campaign, 183 Gram Rath were operated across 14,927 Panchayats/Villages of the state connecting 2 crore 22 lakh villagers providing information about public welfare schemes

Every Gram Rath reached the rural areas with the message of development and made people aware of the development schemes.

The massive campaign lasted for 20 days

The Gram Rath Abhiyaan was conducted for about 20 days. During this period, programs were organized daily at the Gram Panchayat level in various assembly constituencies. People participated enthusiastically in the Gram Rath Campaign and submitted their suggestions through suggestion boxes, bringing local issues and concerns to the attention of the State Government.
