

CLX-2160
(Colour Laser MFP)

CLP-300
(Colour Laser Printer)

imagine a colour laser printer
big on colour, small on size.

Imagine having the choice of two colour laser printers small enough to fit on your desktop. The CLP-300 is a small, standalone colour laser printer, whilst the CLX-2160 has the added advantage of fast, full-colour copying and high-resolution scanning. Imagine colour this vivid in printers this small. With the Samsung CLX-2160 and CLP-300, it's not that hard to imagine. To learn more, visit www.samsung.com

Other Network Ready Colour Lasers also available:
CLX-2160N, CLX-3160FN, CLP-300N and CLP-600N
