...and her brand ambassadors the entire globe has known.
...from destinations far and near, our head adorned with a crown.
 Dronacharya College of Engineering, known as the DCE of Southern Haryana, has the evergrowing prestige of being the best provider of facilities. It does not merely teach quality, productivity and efficiency but also provides an environment within the exemplary campus eulogized for quality culture, productivity-linked operation systems and admirable administration to serve in the larger interest of the student community.
 We aim at continuously improving the healthy learning environment and providing facilities for the students to achieve academic excellence for employability as worldclass technocrats and enviable entrepreneurs.
