

LIMAT

Focus on Over all Development

TECHNICAL EDUCATION IN HARYANA IS ONE OF THE BEST IN WHOLE OF NORTH INDIA. The entire credit for this goes to the department of technical education, Haryana who provided their best cooperation. Haryana is the first state to go all on-line admissions for B.E, M.E, M.B.A, M-Tech, Polytechnic etc. The best part is that the students while sitting in the comforts of their home can fill online admission forms, online counseling and even receive online admission cards. By this simple process, both the students and parents are saved from the unnecessary harassment, exertion and tension. We at Lingaya's Institute are adopting all latest IT based teaching aids like projection TV with e-pens in all class rooms, lesson plan and teaching material on website. Our Institute is equipped with video conferencing, latest Wi-Fi technology, seminar rooms for each department, auditorium, tennis courts, swimming pool etc. Our Institute is backed by permanent faculties from IIT, NIT, BITS Pilani etc., In our Institute, we not only provide syllabus based academics but also enrich the students with soft skills, value added personality development programmes.

Lingaya's Institute is under the umbrella of academicians who also have other reputed institutes like Lalita Devi Institute of Mgmt. and Sciences, Mandi, Delhi running BBA, BJMC & B.Ed under GGSIP University, Delhi.

We announce another feather in our cap, a new engineer-

ing college near Kurukshetra which is coming up by the name of Technology Education and Research Institute starting from the session 2007-08.

Report from Dr. Picheswar Gadde, Secretary, LIMAT, Faridabad

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY

Focus on Professional Education

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY (GGSIPU), established by the Government of NCT of Delhi, is an affiliating and teaching University that aims to facilitate and promote studies, research and extension work in emerging areas of higher education with focus on professional education in the disciplines of engineering, technology, architecture, management, law, medicine, pharmacy, physiotherapy, nursing, education, journalism and mass communication, etc. Within a span of eight years, the University has been able to make its presence felt the world over. It is running more than 60 programmes in 08 University Schools of Studies and over 80 Institutes (Government as well as self-financing), imparting professional education to more than 40,000 students with an annual intake of about 12,000. The students of this University are getting excellent placements in best of the companies like, TCS, Infosys, Wipro, DCM Technologies, Mahendra, British Telecom, Quark, ST Microelectronics, Ranbaxy, Pepsi, HDFC, ABN Amro Bank, ICICI Banks, Airtel, Nestle, LG, Reliance, Oracle, Max Healthcare, Whirlpool, Singapore Telecom, Sony India Ltd., Crisil, NSE and so on. Recently, GGSIPU has been awarded 'A' grade (institutional score 85%-90%) by National Assessment and Accreditation Council. The accreditation is valid for a period of five years from 31 March, 2007.

Free Education for poor students:

The Board of Management of the University has earmarked

10% of Students Welfare Fund with a view to fulfill its social commitment towards deserving students who on account of some financial hardship are not able to pursue higher studies, provided they get admission to the University on their own merit and continue to get more than 60% marks.

Thrust on Continuing Education:

In order to encourage 'continuing education' for the benefit of working professionals, the University has taken the initiative to start several weekend programmes:

■ M.Tech (Information Technology); ■ MBA (Disaster Management); ■ MBA (Weekend); ■ MBA (Banking & Insurance); ■ MBA (Real Estate) and, ■ Post Graduate Diploma In Electronic Media.

New programmes of societal relevance:

Keeping in view the societal requirements on the one hand, and market trends on the other, the University has further introduced several new/innovative programmes.

Focus on Research & Consultancy:

GGSIPU firmly believes that without promotion of quality research and consultancy, no university can really move upward academically.

Regular updation of Course Curriculum:

All programmes of the University are updated regularly by a team of internal and external experts to ensure they are in tune with the changing needs of the Industry.
