

**University of
Sunderland**

University of Sunderland is a dynamic, modern university with high standards of teaching and research and a growing reputation as the university for enterprise, employment and opportunity.

The University has over 16000 students, with more than 2000 being international students from over 70 countries.

University of Sunderland has an international outlook and students from across the globe are, increasingly, choosing to study with the University, both on campus and on accredited programmes being delivered through partner institutions in 20 countries.

The University has been officially recognised as the leading institution in England for its work in improving access and widening participation in higher education.

The UK government's performance indicators highlight Sunderland's continuing success in preparing graduates for work. 94% of all University of Sunderland graduates are in employment within 6 months of graduating.

There are five academic schools responsible for teaching and learning, academic development and research, and for working with partners in business and industry, at University of Sunderland.
