

Like the crisscrossing paths of its campus, the vision of Dr. OP Bhalla (President, MREI), touches education at virtually every turn. MREI provides unique and supportive environs to learn and grow, at different institutions, sprawling over 45 acres in Sector 43, amidst lush green surroundings, as also in Sector 21-C, City Centre and 5 acres in Sector 14, all in Faridabad. Faculty and students alike embrace the numerous opportunities in the classroom, the lab and the library to merge education with excellence. The sprawling campus, open spaces, imposing buildings, also provide their own unique beauty.

At MREI, we are dedicated to creating knowledge leaders for a new world. As one of the largest group of institutions of its kind in India, we are in an enviable position today. We will endeavour to enhance our leadership stance by proving yet again that accomplishment is in the details. MREI is all for applying knowledge for the benefit of humanity. Our emphasis is on learning by doing combining liberal and professional education and the value of useful knowledge.

We have done it in the last decade. We will do it in the coming decade.

TOUCHING EDUCATION A

WORLD CLASS INSTITUTE

CAREER INSTITUTE OF TECHNOLOGY AND MANAGEMENT

- Computer Science and Engineering
- Electronics and Comm. Engineering
- Engineering in Info. Technology
- Mechanical Engineering
- Electrical & Electronics Engineering
- Engineering in Biotechnology
- Biomedical Engineering
- M E - (Computer Science)
- M E - Mechanical Engineering (Manufacturing & Automation)
- Master of Business Administration-MBA

Approved by AICTE, Ministry of HRD, Govt. of India and DTE, Govt. of Haryana and affiliated to Maharshi Dayanand University, Rohtak.

MANAV RACHNA COLLEGE OF ENGINEERING

- Computer Science and Engineering
- Engineering in Information Technology
- Electronics and Communication Engineering
- Mechanical Engineering
- Applied Electronics and Instrumentation Engineering
- Master of Business Administration-MBA
- Master of Computer Application-MCA

Approved by AICTE, Ministry of HRD, Govt. of India and DTE, Govt. of Haryana and affiliated to Maharshi Dayanand University, Rohtak.
