CITY-WISE RANKING SCIENCE

AHMEDABAD 1. St. Xavier's College 2. Bhavan's R.A. College 3. M.G. Science Institute 4. C.U. Shah Science College 5. Gujarat Arts and Science College	BANGALORE 1. Christ College 2. St. Joseph's College 3. Mount Carmel College 4. The Oxford College 5. Jyoti Nivas College	CHENNAI 1. Loyola College 2. Madras Christian College 3. Presidency College 4. Stella Maris College 5. Women's Christian College	KOCHI 1. Sacred Heart College 2. Bharat Matha College 3. St. Teresa's College 4. Maharaja's College 5. St. Albert's College
CHANDIGARH 1. DAV College 2. MCM DAV College 3. Govt College for Girls 4. Sri Guru Gobind Singh College 5. Govt College for Boys	DELHI 1. St. Stephen's College 2. Hindu College 3. Miranda House 4. Hansraj College 5. Ramjas College	HYDERABAD 1. Univ College for Women, Osmania University 2. Loyola Academy 3. St. Ann's College for Women 4. Nizam College, Osmania Univ 5. Kasturba Gandhi College	JAIPUR 1. International College for Girls 2. Kanodia Girls' College 3. S.S. Jain Subodh College 4. Agarwal College 5. Lal Bahadur Shastri College
KOLKATA 1. St. Xavier's College 2. Presidency College 3. Lady Brabourne College 4. Bethune College 5. Scottish Church College	LUCKNOW 1. Faculty of Science, Lucknow University 2. Isabella Thoburn College 3. DAV Degree College 4. Lucknow Christian College 5. Shia Degree College	MUMBAI 1. St. Xavier's College 2. Wilson College 3. K.J. Somaiya College of Science & Commerce 4. Ramnarain Ruia College 5. D.G. Ruparel College	PUNE 1. Fergusson College 2. Nowrosjee Wadia College 3. Bharti Vidyapeeth 4. Modern College 5. BJS College

For Delhi, Mumbai, Kolkata, Chennai, Bangalore and Hyderabad, the rankings are based on perceptual and factual scores. For Ahmedabad, Cochin, Chandigarh, Jaipur, Lucknow and Pune, the rankings are based on perceptual scores only.

ciety. In the recent past, as an offshoot of zoology, the science department has introduced a post-graduate programme called medical lab technology. The success of this course is evident from its 100 per cent placement rates. "All our students found jobs in leading hospitals," says Father Muthumalai.

To add a dash of creativity in the science stream, Loyola has also launched a post-graduate degree programme in bio-medical instrumentation science that was approved by the UGC under a special scheme along with a grant of Rs 35 lakh to design infrastructure for the same.

With an evolving syllabi and a choice-based credits' system, Loyola also prides itself on constantly including and involving its students while simultaneously empowering them to tackle the world. Take for instance the college's annual inter-collegiate festival. Although "strictly academic in its content", it is an enriching platform for students to interact and exchange ideas and thoughts. "Recently, I received an e-mail from one of my students who said how organising an event like this was a huge learning experience for him," says Father

Muthumalai. Likewise, the Loyola Expo that is conducted in December is an occasion for the academia to mingle with the industry and its myriad requirements.

A majestic landmark on Chennai's plush Sterling Road at Nungambakkam, the foundation stone of Loyola College was laid on March 10, 1924 and the first batch of 75 students was enrolled the following year in mathematics, history and economics. Affiliated to the University of Madras, Loyola attained autonomous status in 1978 and has consciously adopted innovative methods of teaching and evaluation. The UGC called it a "college with a potential for excellence", while the NAAC re-accredited Loyola at an A+ level last year.

In the principal's office, there is a tall notice board that reveals the size and magnitude of Loyola College. The under-graduate students' count says 5,692, while the post-graduate count is 1,141. As many as 323 teaching staff and 133 non-teaching staff work relentlessly to retain the inherent values of this learning zone and churn out able professionals who are also sensitive human beings.

At St. Xavier's, Kolkata, which has

BECOME A MASTERPIECE.

The ANIIT Program for Engineering and IT students.
For the most-valued careers in the software industry.

Call: BSNL: 1800 180 6448, Airtel: 1800 102 6448

Eligibility: Graduates and students pursuing B.E./B.Tech. (any discipline), MCA, M.Sc. (IT/Comp. Sc.) with a minimum score of 60% in XII.
