**Hettich fittings and
furniture systems -
German quality
you can trust.**

You can tell the difference

When even heavily laden drawers glide smoothly on high-tech runners.
When intelligent organizer systems let you divide up drawer space to suit yourself.
When a gentle touch sets big wardrobe doors sliding or folding softly open and shut.
When you have a huge choice of brilliant fittings that make your home a comfort zone.
Then you know your furniture has fittings from Hettich.
