PESTLE WEED COLLEGE
An International Residential
School with a Difference..

A Revolution...

Education in Pestleweed means nurturing of humanity where the young buds blossom to become flowers to spread their fragrance in the society. Imparting education for the Management of Pestleweed is a tradition nurtured for last 50 years & almost 50,000 students have become responsible citizens of this great country in various fields. The ambience of the institution is unmatched & students seem to be having one to one talk with Mother Nature. Traditionally we don't believe in employers & employee relationship, therefore only Mothers & Fathers are kept to give our children most caring & homely feeling.
