

"The finest corporates recruit students from ICAI every year at various levels. As far as future prospects and remuneration go, the sky is the limit."

- C.A. Sunil Talati, President, ICAI

Give wings to your children's future.

Launch their careers from ICAI.

As a qualified Chartered Accountant, the sky is the limit for your child. Entry level salaries at par with the best management institutes. Offers from the broadest spectrum of employers. And a coveted qualification that not only opens doors to the who's who of the corporate world, but one that makes students solid, well- rounded professionals, trained to excel in all walks of life.

Unmatched benefits of ICAI course

- ▶ No entry barriers, as with other prestigious professional qualifications.
- ▶ Only course that offers 3½ years of hand's on experience... with monthly stipend!
- ▶ Cheapest professional course - total expense involved being just Rs. 17,500/-.
- ▶ Compulsory 100 hours of training in IT, management and communication skills.
- ▶ Campus recruitments with attractive packages.
