

Career.

Money.

Relationships.

Investments.

Leisure.

Decision making.

I'll have them my way.

Introducing INDIA TODAY Woman.

A magazine for the career-oriented woman. It'll help her in making informed decisions on money, career, spending, investments and relationships. And most importantly, her life. It'll take care of her practical as well as emotional needs. After all, there's much more to a woman's life than recipes, fashion trends, home décor, and sexual techniques.
