Presenting the India@60 special issue from INDIA TODAY.

This June, relive the moments that shaped India in the last 60 years. The issue, showcasing bite-sized snapshots, will capture the headline-grabbers, the high-adrenaline and the deepest-sinking moments, the prophetic words that proved to be true and the things that shouldn't have happened. The good, the bad and the wonderful. Every year. Over the last sixty years. Not to forget the experts' views on the defining decades. So get ready to be captivated.
