

How would you reach every single farmer across India?

Right price information now available at post offices.

In one of the world's largest agrarian economies, the one thing all farmers seek is a fair price. To address this need, India Post - with a reach of 6,30,000 villages through its 1,55,000 post offices - and MCX have joined hands to set up Gramin Suvidha Kendras at village level post offices. A farmer can visit his nearest post office and obtain accurate information about prevalent market prices. In addition, he can also avail of assistance on warehousing, grading and testing facilities and even receive expert advice to help him plan future crops. Our endeavor is to give the farmer his due. With India Post, we plan on reaching every single one.
