

Increased efficiencies
and decreased risks across
ABN AMRO's 4500 branches
in 53 countries. That's

certainty

A business with millions of customers globally, called for an innovative and holistic approach to increase its client satisfaction, with decreased time to market and reduced costs world over. To achieve this, ABN AMRO needed a comprehensive IT solution that would increase efficiencies and minimise risks in its daily operations. An IT solution not just for the immediate time frame but for the future as well. As one of the world's fastest growing technology and business solutions providers, Tata Consultancy Services (TCS) helped ABN AMRO make a seamless transition to a new system by leveraging a methodology developed by TCS' Innovation Labs. Ensuring that ABN AMRO was a step ahead in reassuring its customers of a higher and better level of service. And of course, enabling ABN AMRO to experience certainty.
