

**DR. BHASKARA RAO BOLLINENI**  
CHAIRMAN & MANAGING DIRECTOR,  
KIMS HOSPITALS

**(FY 26 REVENUE: ₹3,905 CR)**

**Dr. Bhaskara Rao Bollineni founded KIMS Hospitals with the goal of expanding access to advanced healthcare across southern India. Starting in Hyderabad, the organisation grew into a multi-state hospital network through a combination of greenfield hospital development and strategic acquisitions. He has focused consistently on strengthening tertiary and quaternary care by investing in clinical infrastructure, specialist services and modern medical technology, positioning KIMS as a destination for complex and advanced treatment rather than routine care.**

**DR. ARVIND LAL**  
EXECUTIVE CHAIRMAN,  
DR LAL PATHLABS

**(FY26 REVENUE: ₹2,763 CR)**

**Pathologist Dr. Arvind Lal took charge of Dr Lal PathLabs in 1977, building on the laboratory his father had founded in 1949. A passout of the Armed Forces Medical College, Pune, he transformed the business from a family-run diagnostics lab into a large, nationwide diagnostics network, investing heavily in quality systems, automation and advanced laboratory technology. Under his leadership, Dr Lal PathLabs expanded nationwide across laboratories and collection centres, while introducing molecular diagnostics, genetics and cytogenetics testing. Dr. Lal has also contributed to policy discussions on diagnostics and skill development.**
