

PRIYA LAKHANI

FOUNDER CEO,
CENTURY TECH

Priya Lakhani, the Founder and CEO of AI-driven edtech company CENTURY Tech, is busy creating intelligent learning tools that are used by schools in over 70 countries. An honorary Vice-President of the Council of British International Schools, she was awarded the OBE in 2014 for her contributions. With a background in media law, Lakhani has also become an influential voice on AI policy and ethics, shaping discussions on responsible technology in education.

PRITI RATHI GUPTA

FOUNDER, LXME; PROMOTER,
ANAND RATHI GROUP

Priti Rathi Gupta lives by a simple motto: Knowledge is power. That pushed her to start Lxme, India's first financial platform for women. Her mission is to empower women's financial acumen and wealth. She has helped over 200,000 women begin their investment journeys, making financial planning accessible and practical. A Harvard Business School alumna with over two decades in the BFSI sector, Gupta previously served as Managing Director at the Anand Rathi Group. A storyteller at heart, she is also a singer and film producer, known for backing films like *Waiting* and *Karwaan*.

PRITI ADANI

CHAIRPERSON, ADANI FOUNDATION

Priti Adani feels that there should be a global collaboration platform to align philanthropic efforts and amplify impact. Earlier this year, the Adani Foundation unveiled the 'Butterfly Effect' framework—a transformative approach tailored to address the evolving needs of women throughout their lives by positioning women at the centre of all interventions. The framework has been designed to support women across different stages, promoting their growth, self-reliance, and overall well-being.
