

**VAISHALI
NIGAM SINHA**

CO-FOUNDER,
RENEW POWER

Nigam has been the force behind ReNew, driving its sustainability journey and making a mark globally. Recently, she took on the role of President, UN Global Compact Network India, as the first elected representative from the private sector. She has been engaging with CXOs and boards with a focus on prioritising ESG leadership, climate resilience, and SDG innovation. Realising the importance of taking along MSMEs in this journey, she plans to engage with them and amplify India's voice globally through stronger international and South-South collaboration.

UPASANA KAMINENI KONIDELA
VICE CHAIRPERSON OF CSR, APOLLO HOSPITALS
AND FOUNDER, URLIFE

Upasana Kamineni Konidela, an Indian occupational health and wellness professional, is a third-generation entrepreneur from the Apollo promoter family. She leads high-impact initiatives in preventive healthcare, rural development, women's empowerment and mental well-being. Her voice resonates deeply with a generation of Indian women seeking to thrive professionally without compromising on family or cultural values. She stands as a relatable yet fearless example of building a purpose-led life at scale—bringing more women into the workforce.
