HOW WE DID IT

The BT-PwC list of India's top CEOs blends quantitative metrics with qualitative insights to identify the standout leaders

BY **KRISHNA GOPALAN**

T

THE ANNUAL RANKING of India's top CEOs, now in its 14th edition, is back! Like last year, *Business Today* has partnered PwC to put in a place a robust methodology that took into consideration both quantitative metrics and qualitative factors.

That decision was driven by a dynamic business scenario, where speed and accuracy of decision-making is most critical. In more ways than one, companies have had
