Conversations around the course extended into golf clinic insights and learnings from seasoned players to first timers.

On the course, standout moments captured the spirit of the game. Hole 7 turned into a showcase of control, where a perfectly aligned drive by Rajive Mohendru, MD, HR Zones, clinched the IOCL Straightest Drive honour as precision triumphed over aggression.

A near-perfect approach on Hole 5 from Mandeep Rathi, Fund Manager and CIO, UV Strategic Advisors, earned the Closest to Pin recognition by AU Small Finance Bank, an outcome shaped by finesse and focus rather than force.

The women's category reflected the same balance of patience and

precision. Amita Jalta, Director, Align Interiors, clinched the award with 38 points. The winner of the men's 0-14 Handicap category, was Mayank Pande, Chief Learning Officer, GMR Group, who finished with 39 awards, calculated Better Back 9.
