Hackathon

Tata AI सखी Immersion Program
Tata भारत YUVAi Hackathon

Tata AI सखी Immersion Program

Bringing the Power of AI to Every Rural Woman

A first-of-its-kind initiative enabling rural women across India with practical, hands-on AI skills—unlocking new opportunities for productivity, creativity, and economic empowerment.

1600+ Women Empowered

Tata भारत YUVAi Hackathon

Democratizing AI for Inclusive Growth

Enabled students from across the country to ideate and build AI-powered solutions for real-world challenges—without barriers of language or coding.

2000+ Students Engaged

Empowering Women | Enabling Youth | Building India's AI Future
