

THE INFRA BOOST

Nitin Gadkari, Union Minister for Road Transport & Highways

» Gadkari said prices of electric four- and two-wheelers will be on a par with the petrol and diesel vehicles in the next six months

» “The travel time between Delhi and Dehradun will be two hours, like it will be on the Delhi-Jaipur route. Travel time on the Mumbai-Bengaluru route will be cut by several hours. Soon, people will opt for road over air travel,” the minister added

INFLUENCING THE WORLD

Shaktikanta Das, Principal Secretary to the Prime Minister of India; Former Governor, RBI

» “Today, India is not just reacting to the world, we are influencing its future direction and shape,” Das said in his keynote address

» “The world is coming to us because India is one of the largest and most exciting markets with its democratic strength, technological momentum, IT and AI ecosystem,” he said

BIG SHIFT IN CAPITAL MARKETS

Ashishkumar Chauhan, MD & CEO, NSE

» Chauhan said geopolitics will shape the next decade. “Tectonic plates are shifting. India must decide the role it wants to play,” he said. On the AI race, he observed that India may not invent everything but excel at being one of the best adopters of technology
