

Andhra Pradesh at the World Economic Forum at DAVOS

Andhra Pradesh Chief Minister Chandrababu Naidu recently attended the World Economic Forum (WEF) summit in Davos. The visit focused on promoting the state's brand image, attracting global investments, and fostering strategic partnerships with multinational corporations and countries.

Over the four days, Chief Minister Chandrababu Naidu participated in a series of impactful meetings, roundtable discussions, and forums with CEOs and leaders of globally renowned companies. The delegation highlighted Andhra Pradesh's investor-friendly policies, including the visionary "Swarnandhra 2047" roadmap, inviting global corporations to explore the vast opportunities in the state.

Collaboration with Global Leaders

Chief Minister Chandrababu Naidu met with Microsoft co-founder Bill Gates to explore transformative initiatives in health, education, and innovation. The discussions included establishing a Center of Excellence for Health Innovation and Diagnostics in Andhra Pradesh. Andhra CM Chandrababu Naidu with Microsoft co-founder Bill Gates
