

Zenith Chronomaster Sport Rainbow

► **IF YOU ARE** looking for a bit of bling, but also want the high precision of a sports watch, the Zenith Chronomaster Sport Rainbow—the culmination of almost 160 years of research in watchmaking innovation—is perfect for you. The multicolour watch in white gold is set with 10 baguette-cut diamonds and 52 rainbow-coloured sapphires on the

bezel. The watch is powered by the El Primero 3600 movement that offers a 1/10th of second indication and has a 60-hour power reserve. With a dial size of 41mm, Zenith is targeting both men and women
