TAMING THE F&O BEAST

THE SURGE IN F&O TRADING
AMONG INDIA'S
INVESTORS HAS LEFT THE
GOVERNMENT, REGULATORS AND
STOCK EXCHANGES GRAPPLING
WITH A NEW CHALLENGE. WHO
WILL PRICK THE BUBBLE?

ILLUSTRATION BY RAJ VERMA

**SURGING
F&O
TRADES**

- As many as 122 million demat accounts have been opened since April 2020, of a total of 158 million till May 2024

- The younger generation, with access to apps

and easy research, has appetite for risk and wants to get rich quickly

- It helps that discount brokerages offer zero brokerage fees and lending facilities
