ACHIEVING GLOBAL LEADERSHIP

A FUTURE-READY INDIA

Decoding the Megatrends for Mission 2047

As India celebrated its 75th year of independence, the government unveiled an ambitious development strategy aimed at transforming the country into a developed nation by 2047. In alignment with this vision, we at Business

Today conceptualized the India@100 summit, an unique platform to bring together visionaries, business leaders, policymakers, and thought leaders. Our goal was to create a space where these influential figures could converge to share insights, strategies,

best practices, and success stories. By emphasizing collaboration, innovation, and sustainable practices, we aimed to contribute meaningfully to the nation's journey towards becoming a developed economy. Over the past two years, Adani BT
