The Founder and Managing Director of Stalwart Projects Pvt. Ltd. has emerged as a transformative figure in Odisha's real estate sector. Rising from humble roots in a remote Village Sarsara, Sundargarh district, to leading a premier Bhubaneswar real estate company, Sri Sahu's journey is marked by vision, determination, and an unwavering commitment to excellence.

Sharat Kumar Sahu's early life was a testament to resilience and ambition. Born into a family of Limited means, he was raised by his mother alongside five siblings, where he learned the invaluable lessons of hard work, perseverance, and determination. Driven by a desire to uplift his family and transform his community, he rose above the challenges to excel in studies to eventually pursue a degree in Agriculture in OUAT with MBA, laying the foundation for his future career. Reflecting on his childhood, Sahu says, "Growing up with limited resources taught me the importance of perseverance and the power of dreams. Education was my gateway to a better life, and it instilled in me a passion for creating opportunities for others."

Sahu's professional journey began in the banking sector, where he developed a strong foundation in finance and management. However, his true calling emerged when he encountered the challenges of building his own home. This experience ignited his passion for real estate and led to the inception of Stalwart Projects Pvt. Ltd. in 2011.

His first significant project—the construction of nine towers for Phase 2 of Kendriyavihar, a housing initiative for Central Government Employees in Bhubaneswar—marked the beginning of his remarkable career as a developer. This project laid the groundwork for Stalwart Projects' growth and Sahu's emergence as a key player in Odisha's real estate market.

Over the last 13 years, Stalwart Projects has successfully delivered 15 projects, with five more currently in the pipeline. The company's portfolio features standout developments like Stalwart Skycity & Stalwart Height, which are redefining luxury living in Bhubaneswar.
