

VINET KUUMAR & THE POWER OF THOUGHTFUL, VERSATILE IT SOLUTIONS

Experience matters. But what exactly matters is what you observe and learn from your experience. Vinet Kumar found niches where he could offer IT Solutions that addressed the unaddressed needs of customers.

Vinet Kumar
Founder & CEO, ThoughtSol

Founded in January 2014 by Vinet Kumar, ThoughtSol is emerging as a prominent, youthful, and dynamic IT services and solutions company that focuses on empowering businesses with digital transformation. They offer a complete range of services including IT strategy, deployment and management while specializing in two core aspects of digital transformation, i.e., Cloud computing and Cybersecurity. By providing innovative solutions to various businesses, they enable businesses to maximize productivity and efficiency.

As the CEO of ThoughtSol, Vinet Kumar leads the executive team while building relationships with clients and partners. While he ensures that the firm meets its financial goals, his primary role consists of developing and implementing the company's mission, vision, and overall strategy. He has taken upon himself the task of creating a diverse culture of innovation and excellence. He also represents ThoughtSol in public and in the media.

Vinet's interest, enthusiasm, and passion for technology determined his career trajectory, and his drive to provide

meaningful solutions in a revolutionary manner is what motivates him to thrive. He holds a degree in B.E. (Electronics) from Bangalore University. In his 28 years of working in the IT industry, he gained knowledge, expertise and experience in diverse domains such as business development, business analysis, sales management, relationship management, leadership enablement and profit centre management. He has worked with various tech giants in diverse roles such as general manager, vice president, and director in the enterprise sales department.

Due to his technical experience and business acumen, Vinet has been able to build ThoughtSol as a platform to showcase and leverage his skills, providing solutions and services that create value for their clients. Under his leadership, the company has grown to an enterprise of 300+ professionals who are working passionately to fulfil the mission and vision of the company. The Delhi based firm has a proven track record of delivering successful projects for

clients in different industry verticals. Profitable since its inception, they boast of an enviable YoY CAGR of 35%. Vinet says, "This significant growth has been possible only due to our customer-centric approach and commitment to providing exceptional value to our clients". The firm has achieved a revenue milestone of \$40 million in the current fiscal year. It is aiming for \$52 million in revenues by the end of this fiscal year.

ThoughtSol is trusted by more than 400 customers, which includes marquee names like Fortis, Mankind, Bata, Vishal MegaMart, JK Tyre, etc. Certified partners of HPE, HP Inc, Google, Apple, Microsoft, etc, they have what it takes to deliver quality, competent solutions. Their commitment to customer service and support ensures that businesses are always in good hands.

With a strong commitment to customer satisfaction, the Vinet Kumar led ThoughtSol is an ideal partner for businesses that are looking to leverage the latest technologies to enhance their operations and stay ahead of the competition.
