

MULTIPLE FOREIGN DIGNITARIES, LEADERS FROM STATE AND CENTRAL GOVERNMENT AND INDUSTRY CAPTAINS ADDRESSED THE OCCASION.

"Vibrant Gujarat is not just an event of branding, but it is also an event of brainstorming. It is a platform where the best minds of the world come together to share their ideas, experiences and best practices for the development of Gujarat, India and the world."

Shri Bhupendrabhai Patel, Hon'ble Chief Minister of Gujarat

"I am quite confident that India can achieve 5 trillion dollar economy target. We will continue to expand our business in steel & mining, and we are also entering into renewable energy. We've signed big MoUs."

Shri Lakshmi Mittal, Executive Chairman of Arcelor Mittal

"PM Modi's vision to make India a global hub for semiconductors will be a huge economic driver for India's future as India marches towards becoming the third largest global economy. There is a tremendous opportunity ahead for India in semiconductors. Vibrant Gujarat will also address the visionary ideas that are critical for India's growth as a semiconductor power."

Shri Sanjay Mehrotra, CEO of Micron Technology
