

DEVELOPING GLOBAL NETWORK FOR SKILL DEVELOPMENT

A seminar on “Developing Global Network for Skill Development” was held on the second day of the 10th Vibrant Gujarat Global Summit. Union Skill Development Minister Shri Dharmendra Pradhan and Gujarat State Minister for Skill Development Shri Kunvarji Halpati attended this seminar.

In his speech at the seminar, Shri Dharmendra Pradhan, Cabinet Minister for Education, Skill Development, and Entrepreneurship, emphasized that skill development will be pivotal in realizing the vision of Viksit Bharat@ 2047. He highlighted that The Government of India is taking several initiatives to prepare manpower for this skill gap and new technology. Result-oriented efforts are being put in this direction in Gujarat as well. Gujarat has developed a skill ecosystem in the last two decades keeping in view the current trends. It would be fair to say that Gujarat is thinking one step ahead. Gujarat has been playing an important role in all areas of development for the past two decades in the development of the country. Gujarat is also at the forefront of other states in the country in creating a global network for skill development. Kaushalya The Skill University has signed MoUs with almost every skill development organization in the world.

While giving information about the various initiatives taken by the state government for skill development Minister of State for Skill Development of Gujarat Shri Kunvarji Halpati said that a global platform is being provided to the youth through skill development in Gujarat thanks to the far-sighted vision of Prime Minister Shri Narendra Modi. The Gujarat government has taken several innovative measures to ensure that these industries get the skilled manpower they require including Kaushalya University, KVK Saksham Yojana Mukhyamantri Bhavishyalakshi Kaush-

alya including Mukhyamantri Skill Initiative have been implemented. Apart from this, special initiatives include Mini ITIs at the village level, and Mega ITIs to further develop Industry 4.0 skills. Moreover, for the past several years, Gujarat has been the first in the country to employ the youth.

Giovanni Crisona, Chairman of Skillman International, Germany, highlighted advanced manufacturing with a Global Skills Network connection. He further said that his organization is working to prepare next-level skill development programs through creative design, principles, and solutions with the aid of world experts.

Shri Ved Mani Tiwari Managing Director of NSDC provided essential information regarding how the Government of India and the Government of Gujarat both are working on the issue of skill mobility emphasizing skill development to fulfill the concept of 'AtmaNirbhar Bharat' and Viksit Bharat of Prime Minister Shri Narendra Modi.

In this seminar, Gujarat's Kaushalya – The Skill University in the presence of dignitaries including Thunderbird School of Global Management, Skillman Education, Namseol University-South Korea, ECA Australia, International Center for Industrial Transformation, NSDC International Lee, Shelby Academy Indo-German Chairman of Commerce and SETU signed MoUs with reputed organizations.
