

VIBRANT GUJARAT GLOBAL SUMMIT 2024: SYMPOSIUM ON 'TOWARDS NET ZERO'

The Department of Environment, Forest, and Climate Change organized a seminar titled 'Towards Net Zero' as part of the Vibrant Gujarat Global Summit 2024. The objective of the seminar was to address the challenges of global issues like climate change and work towards reducing carbon emissions.

At the event, Shri Mulubhai Bera, Cabinet Minister of the Forest and Environment and Climate Change Department of Gujarat, discussed the steps taken by Gujarat in this direction. He mentioned that Gujarat has embraced the Emission Trading Scheme with a positive

approach, and plans are underway to develop a carbon market in the coming days.

In the seminar on "Towards Net Zero" (Carbon Trading and Decarbonization of Economy), Minister of State for Forest,

Environment, and Climate Change, Shri Mukesh Patel, shared his thoughts on Gujarat's initiatives. The minister expressed that as the challenges of climate change become more evident, addressing carbon emissions is not just a moral imperative but also an opportunity for the industry.

GUJARAT POISED TO BECOME THE COUNTRY'S GREEN HYDROGEN HUB

A Seminar on 'Gujarat - The Green Hydrogen Destination of India' held during the Vibrant Gujarat Global Summit 2024

Gujarat's strategic location and proactive policy will position the state as a leader in Green Hydro Production affirms the **Chief Minister Shri Bhupendra Patel**

Gujarat has now positioned itself not only as the "best destination for investment" but also as the "best destination for investments in renewable energy": **Energy Minister Shri Kanubhai Desai**
