

DR. JEHIRUL ISLAM SPREADING ASSAM'S FRAGRANCE WORLDWIDE

In 2007, Dr. Jehirul Islam discovered and realized the true potential of Assam's Agarwood in Dubai, where he was working. Often referred to as 'liquid gold,' Agarwood's commercial value has captivated the Middle East and the Arab world for centuries, thanks to the precious oil it produces.

He returned to Assam in 2008 to kick start a remarkable journey of research and development in Agarwood farming. Under Dr. Islam's efficient leadership, MJI Group has become a driving force in Agarwood cultivation in India. The company is committed to transparency, equal opportunities, and sustainable practices, introducing standardization and fair pricing in the Agarwood industry. As a facilitator of premium Dehnul Oudh and Agar Chips, MJI Group stands at the forefront, ensuring a seamless flow of trade while prioritizing diversity. As a pioneer, Dr. Islam has advised governments to legalize and open Agarwood trade to the masses. In 2020, he played a pivotal role in establishing the Agarwood Promotion Policy and an International Agarwood Trade Centre in Dabidubi, Golaghat. His MJI Group offers comprehensive solutions, covering Agarwood plantation, processing, and marketing.

MJI Perfumes is a manifestation of Dr. Islam's vision. Positioned as the aromatic embodiment of the "Make in Assam, Make in India" campaign, it captures the essence of Assam's rich heritage. Crafted with indigenous craftsmanship, these fragrances, rooted in the "Vocal for Local" ethos, showcase the uniqueness of Assam through long-lasting, Oudh-based scents.

Dr Islam's MJI Perfumes has successfully curated a diverse collection of fragrances, each telling a unique olfactory story. Whether you are drawn to the sweet and comforting, the bold and intense, or the mysterious and exotic, MJI Perfumes has a scent crafted just for all. From the enchanting notes of Ethereal Love to the bold and exotic Oudh Assamica, the collection, including Woody Oudh, Tamed Passion, Sweet Sensation, Epic Desire, Seductive, and Glam You, embodies a symphony of scents that leaves an everlasting impression.

One of the key attributes that sets Dr Islam's MJI Perfumes apart is the exceptional quality and longevity of their fragrances. Crafted with precision and passion, each

perfume is a testament to the brand's commitment to providing an unparalleled sensory experience. The formulations are meticulously crafted to be gentle on the skin, ensuring that customers not only enjoy the delightful aromas but also experience a sense of well-being. The fragrances are designed to evoke emotions and bring a smile to the wearer's face. The soothing and relaxing undertones of each perfume create an ambiance of tranquility, leaving customers with a smile that lingers—a distinctive mark of the MJI Perfumes experience.

Dr Islam's MJI Perfumes has garnered recognition and appreciation on a global scale. Esteemed dignitaries of the Government of Assam and India have showered the brand with accolades, acknowledging its contribution to the fragrance industry. The brand's ability to captivate hearts and redefine elegance has marked a significant benchmark in the world of trade and commerce.

In the realm of Agarwood and Perfume, MJI Group stands as a testament to innovation, dedication, and the vision of its founders, Dr. Jehirul Islam. From uncovering the hidden potential of Assam's Agarwood to revolutionizing the industry, the journey of MJI Group is nothing short of extraordinary.

DR. JEHIRUL ISLAM, MJI Group

It takes a son of the soil to realize the goodness of his land and forests and market it to the world. Dr. Jehirul Islam's pioneering role in tapping the Agarwood of his native Assam, has resulted in the creation of an industry that is providing livelihood to a lot of people and emerging as a robust contributor to the state's GDP.
