

EYES ARE THE JEWELS OF YOUR BODY

“We treat people and not just their Symptoms, We're here to help you navigate your eye care journey, every step of the way”

DR. SHWETA GOEL, VINOD EYE CENTRE (VEC)

The eyes they say are the window to the soul. Human beings have five senses (sight, touch, taste, smell and hearing) with the eyes giving us the ability to see. Many times, we take our eyes for granted and do not feel the need to take better care of them and this is where we need a great caretaker for our eye's health. Rendering this precious service has been the primary mission of Dr. Shweta Goel Founder of Vinod Eye Centre. Her expertise is in the diagnosis and management of eye ailments and she has had wide recognition in medical circles and deep gratitude from patients.
