

Vu 85 Masterpiece TV

The World's Grandest Television

Introducing the all new Vu 85 Masterpiece TV, a true testament to luxury and innovation. The Vu 85 Masterpiece TV is built with 3000 Tensile Aerospace-grade aluminium, drawing inspiration from the private jets and has a sleek design for making it easy to wall mount, table mount or use as a room partition. It features a massive screen with 1000 Nits brightness, 120Hz refresh rate and 204W Speaker with built-in Subwoofer.
