Ramesh Iyer, Vice Chairman & MD, Mahindra Finance

Ashish Gaikwad, VP-GM, HPS & UOP, Honeywell India

Anas Rahman Junaid, Founder & Chief Researcher, Hurun India

▶ Ramesh Iyer said that what earlier used to be only tractor purchases, has today increased to a level where people purchase the tractor with various equipments, which is an indication of growing aspirations

▶ Ashish Gaikwad said companies should look to leverage India's holistic advantage and not look at it just as a consumption market or a place with low labour costs

▶ Anas Rahman Junaid said going forward, traditional family businesses, professionals, start-up entrepreneurs and capital providers like fund managers, would be the biggest wealth creators
