

Women Empowerment in Uttar Pradesh

A Beacon of Strength

In the rhythm of progress, women take the lead,
With strength and grace, she plants prosperity seeds

In the Uttar Pradesh scenario, these lines illustrate women's vital role in societal progress & celebrate their leadership, resilience and significant contribution to fostering positive change and growth.

“

The work done for empowering women in UP is being witnessed across the country. The double-engine government has constantly strived to improve the lives of the women. Uttar Pradesh is safe and full of hope and opportunities

-Narendra Modi
Prime Minister

”

Nestled in the heart of India, the dynamic state of Uttar Pradesh is undertaking a profound transformation under the steadfast leadership of Chief Minister Yogi Adityanath. Mission Shakti is a significant initiative that aims to enhance the security, dignity and empowerment of women. It is more than just a programme; it is a symphony that celebrates the strength and potential of every woman. This endeavor aligns with the Yogi Government's commitment to "women-led development." It strives to address the challenges that women face throughout their life journeys and to involve them as equal contributors to nation-building by promoting collaboration and encouraging citizen participation.

Ensuring the dignity of women and attracting investments naturally, the evident mantra of Yogi government. Since 2017, women in Uttar Pradesh have achieved milestones in various sector includes health, education, politics, entrepreneurship, etc. The Uttar Pradesh Police Department stands as a prime example of women's active participation. Before 2017, there were merely 10,000 women personnel, a number that has now surged to 40,000 under the governance of the "double-engine government." Launched in October 2020 by Chief Minister Yogi Adityanath, 'Mission Shakti' seeks to empower women, improve safety and address gender-based issues. Conducting awareness campaigns at local gram sabhas, it tackles challenges

Since its inception, 'Mission Shakti' has transformed into a powerful force for change in Uttar Pradesh, focusing on women's empowerment and tackling vital concerns like self-reliance, security, nutrition, employment and overall well-being. The Mission Shakti 4.0, launched on 14 October 2023, marked by a spirited vehicle rally dedicated to spreading awareness about government initiatives tailored for women. The primary objective of this campaign is to empower women and girls, fostering their self-reliance and independence.

like harassment, domestic violence, substance abuse, human trafficking, child marriage, discrimination, child labor and various forms of exploitation.

As part of 'Mission Shakti,' two specific sub-schemes have been instituted, named, 'Sambal' and 'Samarthya,' each designed for a distinct purpose.

Sambal

The 'Sambal' sub-scheme integrates components from existing initiatives, including the One Stop Centre (OSC), Women Helpline (WHL), and Beti Bachao Beti Padhao (BBBP).

It introduces a pioneering element: Nari Adalats-women's collectives crafted to foster alternative dispute resolution and gender justice within society and families, emphasizing the safety and security of women.
