

Trust, Tailored: Reimagining Private Wealth with Srinivas Mendu

Srinivas Mendu, CEO of FundsIndia Private Wealth, is redefining wealth management for India's affluent—offering bespoke solutions, global insights, and a trusted partnership that goes far beyond just numbers.

With over two decades of experience in financial services, Srinivas Mendu brings deep expertise, strategic foresight, and an unwavering client-first philosophy to FundsIndia Private Wealth—a premier wealth management firm backed by marquee investor WestBridge Capital. A seasoned leader with a robust track record in investment advisory, asset allocation, and portfolio strategy, Srinivas has been instrumental in building client-centric platforms that balance innovation with integrity. Prior to his current role, he held leadership positions across leading financial institutions, where he consistently delivered value to high-net-worth clients through bespoke solutions and disciplined risk management.

At FundsIndia, he has spearheaded the firm's transformation into a trusted destination for India's emerging and established affluent, offering them exclusive access to curated investment products, holistic financial planning, and multi-generational wealth strategies.

Known for his deep empathy, rigorous approach, and passion for empowering clients to build enduring legacies, Srinivas shares his views about building portfolios that stand the test of time.

1. HNIS TODAY SEEK MORE THAN JUST RETURNS. HOW DOES FUNDSINDIA PRIVATE WEALTH GO BEYOND THE NUMBERS TO SERVE THE UNIQUE NEEDS OF INDIA'S AFFLUENT FAMILIES?

At FundsIndia Private Wealth, we do more than just deliver returns. We offer personalized, trust-based wealth solutions using smart technology and expert advice—customized for each family's goals. We believe avoiding mistakes is just as important as making gains. That's why our approach focuses on reducing risks and helping clients stay on track.

We are also building a strong, long-lasting team to ensure our clients always come first, with advisors who truly understand their needs.

2. WHAT ARE SOME OF THE CURATED INVESTMENT AVENUES OR DIFFERENTIATED STRATEGIES THAT FUNDSINDIA OFFERS TO CLIENTS LOOKING FOR BOTH GROWTH AND RESILIENCE?

At FundsIndia Private Wealth, we offer a range of curated investment strategies designed to deliver long-term growth while protecting against downside risks. Our approach combines strategic and tactical asset allocation, goal-based investing, and portfolios aligned to each client's risk profile—from conservative to aggressive. We provide differentiated services including Financial Planning, Estate & Legacy Planning, Tax Optimization, Global Investing, and Family Office support. Backed by Westbridge Capital and guided by Innovation, Insights, and Integrity, we partner with clients to manage, preserve, and grow their wealth across generations. We also offer thematic and event-driven strategies to help clients benefit from emerging opportunities.

Our tax-efficient rebalancing models further strengthen post-tax returns and portfolio stability.

By blending data-driven insights with expert advice, we build portfolios that are not only designed to grow—but also built to adapt confidently to changing markets.

3. DISCRETION AND TRUST ARE CORNERSTONES OF PRIVATE WEALTH RELATIONSHIPS. WHAT DO YOU BELIEVE CLIENTS VALUE MOST IN THEIR INTERACTIONS WITH YOUR TEAM?

At FundsIndia Private Wealth, our clients value the clarity, consistency, and care we bring to every interaction. We build relationships on integrity, deep listening, and long-term commitment. With unbiased advice and transparent communication, clients trust that we always act in their best interest. Whether it's tailored portfolio management or estate planning, discretion and trust are at the core of our culture—supported by strong governance and experienced leadership.

4. WITH VOLATILE MARKETS, EVOLVING TAX LAWS, AND GLOBAL ASPIRATIONS—HOW DOES YOUR FIRM FUTURE-PROOF CLIENT PORTFOLIOS WHILE REMAINING ROOTED IN THEIR PERSONAL GOALS?

We future-proof portfolios by combining strategic foresight with personalisation. Our advisors use dynamic asset allocation, tax-efficient structures, and global diversification to build resilience across market cycles—while keeping each client's goals at the centre, whether it's legacy, lifestyle, or global ambitions. With tech-powered insights, access via GIFT City, and proactive rebalancing, we keep portfolios relevant and forward-looking. We also bring clients new, valuable ideas—consistently and in ways that truly resonate.
