

ROAD MAP TO A BETTER FUTURE

(From left) **Siddharth Zarabi**, Group Editor, *Business Today*; **Nitin Gadkari**, Union Minister for Road, Transport & Highways

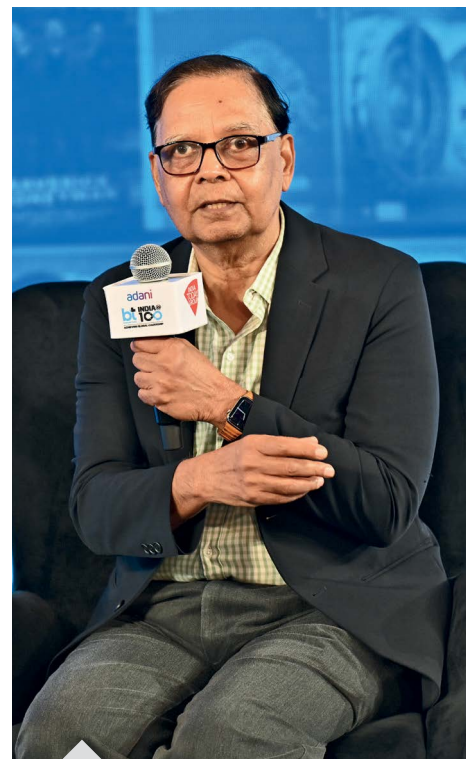

- The minister recommended a shift to rural, agriculture-led growth for India's economic transformation, adding boosting rural productivity can drive exports and create jobs
- He said blending of 20% ethanol with petrol doesn't damage the cars and no timeline has been decided for its implementation

A NEW TRADE ORDER

Piyush Goyal, Union Minister for Commerce and Industry

- At a time when the global trade order is undergoing a major transition, Goyal said India is not merely adapting to change but it is actively shaping it
- He said India's free trade agreements are now being designed to go beyond tariff reductions, incorporating concrete investment commitments, a first for the country

RETHINKING THE GROWTH MODEL

Arvind Panagariya, Chairman, 16th Finance Commission

- Speaking at the *Business Today* India@100 summit, Panagariya said India should "aggressively pursue" an FTA with the EU as the US turns protectionist
- He reiterated that long-pending labour codes must be implemented without delay
- At the state level, he called for land reforms and zoning flexibility to prepare cities for businesses—not just residences
