IMPORT DEPENDENCY

Commodity	Imports from China (FY26)	India Total Imports (FY26)	China Dependency (%)	Risk Level
Electronics & Semiconductors				
Electrical & electronic equipment (incl. integrated circuits, telecom, phones)	46,367	104,853	44	High
Electronic integrated circuits & microassemblies	14,281	30,323	47	High
Lithium-ion batteries (electric accumulators)	4,285	4,697	91	Critical
Laptops	6,266	13,707	46	High
Solar cells	2,634	4,458	59	Critical
Machinery & Industrial Equipment				
Machinery, boilers, mechanical appliances & parts	29,451	74,019	40	High
Semiconductor manufacturing machinery	700	1,386	51	Critical
Chemicals & Pharmaceuticals				
Organic chemicals (APIs, pharma intermediates)	11,522	25,411	45	High
Antibiotics—bulk API	1,600	1,866	86	Critical
Dyes, agrochemicals, coatings	2,028	8,857	23	Medium
Plastics, Metals				
Plastics and plastic articles	6,712	22,234	30	High
Aluminium & articles thereof	2,581	10,000	26	Medium
Articles of iron or steel	2,505	5,749	44	High
Critical Minerals				
Gallium & germanium	29	88	33	High
Others				
Optical, photographic & medical instruments	3,224	15,375	21	Medium
Vehicles & auto parts	2,869	9,361	31	High
Glass & glassware	1,811	3,123	58	High
