

RISK, REWARDS, AND RESILIENCE

Siddharth Zarabi (left), Editor, Business Today, with **Tuhin Kanta Pandey**, Chairperson, Securities and Exchange Board of India

» Sebi chief Tuhin Kanta Pandey signalled that taxation policies for capital markets are unlikely to be changed, while underlining that there is now certainty on taxation

» Underlining that FPIs are a

very important part of the capital market landscape, Pandey noted that their investment flows have gone up in the last few years to India though there has been some volatility and uncertainty due to which there have been outflows

THE FUTURE OF MONEY

Ashish Chauhan, MD & CEO, NSE India

» The transformation that equity investing has gone through is due to a fundamental shift in mindset, said Chauhan. "The rise of the equity cult is undeniable," he said, adding it is because of trust

» Remaining optimistic about India's equity markets, Chauhan emphasised their role in wealth creation. "Stock markets are not just about trading; they are about channelling savings into productive capital," he said

TRACING A LEADER'S JOURNEY

Anu Aga, Former Chairperson, Thermax

» On 70-hour work week, the industry veteran said there is a need to balance between professional work commitment with family time

» Recounting the challenges she faced in her illustrious career, she said, "Struggle is in everybody's life. You can learn from it and cope with it. Your coping mechanism can be different"

» Speaking on philanthropy, she said, "Earlier, I didn't like the CSR mandate. But today, seeing the money that is flowed in CSR, I think it's a good thing"
