8 | THE POINT

Weathering The Storm

The stoppage ratio for SIPs soared to 123% in February. Check out some key numbers

10 | THE BUZZ

Pivotal Moment

The key question for the Indian insurance sector now is whether composite licences will drive consolidation or would 100% FDI attract new entrants

12 | THE BUZZ

Buried in the Details

IndusInd Bank faces RBI scrutiny. With stricter regulations in play, its future—and broader banking oversight—hangs in balance

14 | THE BUZZ

Looking for a Silver Lining

All eyes are on India Inc's Q4FY25 earnings. There are expectations of profit and revenue growth remaining muted
